# Energy assessment rebate

**Randwick Council is providing a rebate of \$150 for energy assessments in houses, units and businesses<sup>1</sup>.** Energy assessments help you find out where you use energy and how you can reduce it.

## Eligibility criteria

- Only available for houses, units and businesses<sup>3</sup> in the Randwick Local Government Area.
- Must be provided by the [Australian Energy Foundation](#) or another provider (approved by Council on a case-by-case basis).
- Limit of one per dwelling.

<sup>1</sup>Terms and Conditions apply. <sup>2</sup>Savings are estimates only. <sup>3</sup>Businesses using less than 275 kWh/day only. Rebate amount cannot exceed 50% of invoice cost.
