Pool pump rebate

Randwick Council is providing a rebate of \$250 for installing efficient pool pumps and pool pump controllers in houses, units and businesses¹. In households with a swimming pool or spa, the pump is usually the largest user of electricity.

Eligibility criteria

- Only available for houses, units and businesses³ in the Randwick Local Government Area.
- New pool pumps must have a minimum 7 Energy Star Rating.
- New pool pumps must be installed by a licenced professional for swimming pool filtration only.
- Limit of one per dwelling.

¹Terms and Conditions apply. ²Savings are estimates only. ³Businesses using less than 275 kWh/day only. Rebate amount cannot exceed 50% of invoice cost.
