Solar health check rebate

Randwick Council is providing a rebate of \$100 for solar health checks in houses, units and businesses¹. Solar health checks will tell you if your rooftop solar is working effectively and if any maintenance is required.

Eligibility criteria

- Only available for houses, units and businesses³ in the Randwick Local Government Area.
- Must be provided by the [Australian Energy Foundation](#) or another provider (approved by Council on a case-by-case basis).
- Must be provided by a licenced professional.
- Limit of one per dwelling.

¹Terms and Conditions apply. ²Savings are estimates only. ³Businesses using less than 275 kWh/day only. Rebate amount cannot exceed 50% of invoice cost.
